

2023

SRB GREETINGS

Brethren,

I bring you 2023 SRB greetings in the name of Jesus. As we engage the new year, I must appreciate you all under Br. Ateh's leadership who have guided the SRB ship since our departure in February 2022. May God bless you abundantly according to your faithfulness.

2023 will be a year of greater exploits for us and it is therefore important we remember a couple of things. SRB is God's vision and thus the physical presence or absence of anyone of us even me, will not hinder God's work. I therefore call on everyone who identifies with SRB or considers me as their father, mentor, leader etc. to put their hands on the plough and take this work to the next level.

In 2022 by the grace of God and the faithfulness of the SRB brethren, we were able to:

- Share the gospel with more than 3000 students on 12 campuses weekly
- Share approximately 3000 tracts
- Raise funds for SRB activities
- Raise volunteers for the various campuses

- Organized the national Easter retreat
- Seen a national leadership transition

We give thanks to God for all these accomplishments and to all those who actively worked to ensure these results I pray that God will remember you and answer your prayers in 2023.

You may be wondering “What can I do this year?” SRB offers you various platforms where you can serve God wherever you are. You can plug into one or more of these channels. You can become:

- **A prayer partner:** You can raise prayers for this work and also join the weekly prayers that are being raised for SRB every Sunday at 8pm Cameroon time on WhatsApp.
- **A school evangelist:** You can go out to the campuses weekly to share the gospel through morning devotions, bible studies or club activities as planned.
- **An online missionary:** You can create a group on social media and use it to promote God’s kingdom.
- **A kingdom financier:** You can give your financial resources to ensure that others go to the campuses and that the work of God is done wherever it is needed.

As led by the spirit, talk to your leaders and do what it takes to extend the boundaries of this work because we will all give an account for the advancement of God’s kingdom.

I pray the blessings of peace, prosperity and fruitfulness according to Zechariah 8:12 be your portion as you take your stand to do your part of the work in this ministry in 2023.

See you at the top
