

THUS FAR THE LORD HAS BROUGHT US!

Greetings Brethren,

My heart is filled with joy at what God has done for us as a ministry throughout the year. God has been powerful in our midst and used our feeble efforts to ensure that souls were saved and lives transformed despite all the odds. I am so grateful for three categories of people that God used this year.

Firstly, the prayer team. They spent countless hours on the prayer altar every Sunday, lifting to heaven the requests of the band. Without the backing of heaven through the prayers of the saints, none of these results would have been accomplished. To these, I pray that God will remember your prayers and show up for you in the day of trouble.

Secondly, those who sowed their finances into SRB this year. At the beginning of the year, we made a conscious decision to announce our needs just once and allow God to provide through whoever He touches. We can confidently say that God is faithful and that He provided for us beyond our expectations, meeting all our financial needs. I am grateful that God chose you to be a part of this work through your finances. I pray that God will always provide for you and bless you beyond your wildest dreams. May your purses never lack as you continue to invest in kingdom business.

Thirdly, all those school ministers who stood on the campus to share their faith with the students. You were our boots on the ground, sharing devotions, praying for students, winning souls, and allowing God to use you to transform lives. I honour God for your availability and faithfulness to the work despite your busy schedules. Without you on the ground, our prayers would have been in vain. I appreciate you more than you know it and pray that every blessing that follows soul winners will be your portion in the name of Jesus.

To the rest who played different roles, I have not recognized, thank you. To those who were neither here nor there, I pray that you will decide to join God's army next September as we begin again. May your contributions to the work be so visible and remarkable that God will call you faithful. God could do this work without us but He has chosen to do it with us. I pray you will become God's partner in this work if you have not already become one. Once more thank you for partnering with God through SRB.

God bless you.

Testimonies from Singles' & Couples' Ministry

"I joined SRB many years ago and the ministry has been a great blessing to me as it has helped me greatly improve my spiritual life. The Single's Ministry (that seeks to help singles live a fulfilled life and prepare them for marriage) has tremendously molded me. Seeing single brothers and sisters, who are older than me and are living chaste lives while waiting on God has been a great inspiration to me. I learned that waiting while serving the Lord Jesus Christ is the best way to wait. The teachings I have received from this ministry have given me the right instructions to stand on as a single person and please God all the way through. I really bless God for the family he has given me at SRB and the opportunity to serve God with my gift as I continue to grow in my faith."

Ghghomu Goodness, SRB Buea, Cameroon

"We are forever grateful to God for the counseling sessions we had with your ministry. They have served and are still serving as a pillar in our union. We learned from you, amongst other things, how to let God be the foundation of our union, how to properly communicate with one another, better understand our personalities, how to resolve conflicts, how to build emotional intimacy as couples, how to serve each other by playing our roles as husband and wife etc. Our union would have been more difficult without these foundational lessons we got from your ministry. May God use this ministry to lay such a solid foundation for many who are looking forward to be united in holy matrimony."

Carine and Eric Achora, Sweden

"We met Evg. Bolak K. Mekwi when we were at the verge of separation. Our marriage was in turmoil and trust was totally broken. We needed a counselor and thankfully we found God's servant. The sessions we had with him have contributed in many ways in bringing life back in our marriage. Fast forward one year on and our marriage has been healed, our communication and problem solving is much better. Everything about our marriage is much better now. He has been extremely patient with us. His wisdom and counsel has worked wonders in our home and we are immensely grateful. May the Lord continue to give you more grace to keep restoring hope in marriages that are going through storms."

Cedric & Kelly Pieterechu, Yaounde-Cameroon

SRB thought us most of what we know about marriage today. Through its marriage counseling ministry we learned so much that helped us to lay the right foundation for our marriage. We are privileged to have benefited and still benefiting from godly teachings on marriage. As a young couple, we have been blessed to learn from personal life experiences from our elder ones which has given us in-depth understanding about marriage. Our marriage is what it is today because of all these blessings. May God continue to bless this ministry and use it to bless many other couples, young and old across the globe.

We are proud to belong to SRB!

Morning devotion in schools

Evangelism on campuses/streets

Over the years we have seen multitudes come to Jesus through our outreach ministry to secondary and high school campuses. This has been possible because God himself, who is the Lord of the harvest, have given us young men and women who continue to passionately evangelize and disciple these students in multiple ways as the Lord Jesus makes them available. Most of them do this in the midst of adversity and setbacks. We stand to praise the Lord for how far he has brought us this year in our quest to see souls won for him and disciplined for his glory.

For 2023/2024 academic year, we had as plan to proclaim the gospel weekly on at least 15 campuses, with at least 15 campus missionaries leading our different strategies on these campuses. By the special grace of God and His daily blessings outpoured on us, we were able to:

- Serve on 14 campuses in 3 regions in Cameroon.
- Lead devotions every week with more than 4000 students on these campuses and 513 surrendered to Jesus.
- Facilitate spiritual emphasis programs.
- Disciplined about 200 students.
- Run excellence clubs on 4 campuses with over 600 students in attendance.
- Distribute 24,749 gospel tracts to students on campuses and the streets.

Discipleship sessions

God has tremendously blessed this ministry and words are not enough to fully describe and name all that He has done to our small family and the enlarged Soul Reapers' Band family. As we look behind to what he has done and praise him, we cannot but start to trust him for what we hope to realize in the coming, months and year. We invite all those whom the Lord Jesus has burdened and is still moving to join us in this great harvest.

PRAISES & PETITIONS

- *Thank God for the partnership with Every Home for Christ Ministry who have faithfully provided the tracts we distributed.*
- *Thank God for all the campus missionaries who dedicated their lives to minister on the different campuses.*
- *Thank God for all those who gave financial and other resources to accompany the preaching of the gospel and building of disciples.*
- *Thank God the singles and couples that have experience deep transformation through our ministry.*
- *Ask God to provide workers for the harvest on campus and other areas we are serving.*
- *Ask God to give us a good strategy to follow up and disciple all those who are won to Jesus, who attend our singles and couples' teaching sessions etc.*
- *Ask God to make available all the resources need to make disciples.*
