

KINGDOM PARTNERSHIPS

Greetings Brethren,

As a ministry, every day we are reminded of the responsibility God has given us to propagate the gospel until He returns. While SRB is known for its work on campuses, little is known about the collaboration we have with other ministries to ensure that the gospel is spread, because according to 1 Corinthians 3:9 GNT

"...we are partners working together for God, and you are God's field. You are also God's building."

In this edition of our newsletter, we want to highlight what God is doing through SRB in many ways and take this opportunity to thank all the brethren who invest their financial resources in SRB. Thank you for your kind gifts, and I pray that the blessings of the Lord will never depart from your houses as you partner with all these ministries through your giving. May God continue to provide resources for His work, and may you be counted among those who receive a reward for partnering with him.

In Christ

Bolak Mekwi, SRB Vision Bearer

On January 28, 2025 Soul Reapers' Band, in partnership with International Children's Welfare Foundation, offers scholarships to 11 pupils at Government Primary School Mvog Betsi Yaoundé-Cameroon(see photo above).

This scholarship seeks to help parents who cannot afford tuition and examination fees of the academic year due to numerous challenges and the crisis affecting their regions of origin.

A few of the parents express how this is going to help them significantly to go through the academic year to complete school fees and get some other school needs. Another said it was answered prayers for her as she didn't know what to do to complete the school fees of her child. After she prayed one morning, she received a call inviting her to come to the school campus for the scholarship. May the Lord Jesus bless and prosper all the partners of SRB.

Because of the continuous partnership with 'Every Home for Christ' ministry many students have had the opportunity to read about God's Kingdom and know how one can begin a new life in Jesus Christ. We have distributed thousands of tracts over the years because of their generosity and willingness to make these tracts available when we need them. We thank God immensely for such partners in the vineyard

"Thank you, SRB, for your huge support to us in this very challenging time. The financial crisis we encountered about two years ago crippled us so badly and affected our family life in unspeakable ways. Your financial seed into our clothing and other accessories business will go a long way to increase our profit and this will enable us cover our monthly family needs. May God bless all those who invest in this ministry."

"I am truly honored to be part of SRB and deeply grateful for the life of every member, especially Mr. Mekwi, who has been a source of guidance and support for so many. Last year, my family and I faced financial challenges in Dubai, and when I reached out to our leaders, they not only prayed with us but also provided financial assistance that made a significant difference. Their kindness and generosity lightened our burden, and I am immensely thankful for the way this family came together to support us during that difficult time."

God blessed my family with a piece of land in the outskirts of Yaoundé through a beloved brother. We negotiated the price with the dealer but didn't have all the money to pay for it. He was gracious and gave us a few months to complete the payment. My wife and I couldn't raise the rest of the money because of the school needs of our kids. When we reached out to SRB, the ministry generously assisted us to complete the payment in due time. Thank you all for your partnership.
