

Transforming the life of a student today with the gospel and need-oriented discipleship today is impacting systems and preparing a healthy community tomorrow to the glory of God!

Warm greetings to you friends and partners in the Lord Jesus' vineyard. I have been and will always be grateful to my savior and Lord, Jesus Christ, for entrusting into my hands such a beautiful vision to win souls and impact systems to the glory of his name.

We have witnessed a tremendous harvest since he gave me this vision and he keeps expanding the work, thus increasing the harvest.

Souls have been won, disciples built, singles equipped, couples encouraged and many more because of your faithful support in praying, giving and otherwise. May God continue to bless you as you join us this year again to win souls and build disciples. No sacrifice you make in giving financially or praying is too small. God bless you!

Bolak & Fri Mekwi, SRB Vision Bearer

For the past couple of years we have been involved with school ministry, we have been encouraged to share our faith daily. We have noticed that the morning devotions on campuses are not just a way to help students obtain good moral values for life but a unique platform to introduce them to the Savior and Master Jesus Christ and showing them how they can walk with Him daily.

Our 2024 goal cannot be successfully achieved without the God’s intervention and a committed team of harvesters.

God has blessed us with young men and women with a real passion for the gospel and who will go all their way to win a soul for Jesus.

We continue to trust God for more laborers as the work grow and expand into many more schools to add to the following:

- **Champions Secondary and High School**
- **Faith Comprehensive Secondary and High School**
- **Wisdom Academic Complex**
- **Mervick Secondary Grammar School**
- **Emergence Secondary School**
- **Top International School**
- **Pinnacle of Success**
- **Baptist High School Awae**
- **Grace Bilingual Academy**
- **Favour Comprehensive School, Bafang.**

SRB Members & school missionaries

Pray for a great harvest of souls on these campuses and excellent discipleship strategies to build all converts.
